A Special Meeting of the City Council of the City of Lodi was held pursuant to written notice being mailed or hand delivered to each member of the City Council, KCVR, Lodi News Sentinel, KCRA-TV News, Lodi Cable TV, Stockton Record, and Lodi Life and Times.

The meeting was called to order at 11:00 a.m. by Mayor Pro Tempore Katnich at which time the Council met in Executive Session.

Mayor Pro Tempore Katnich reported that as a result of this meeting the City Council's position at this time regarding the proposed closings of various street rail crossings within the City is

- a) No crossings within the City of Lodi be closed.
- b) that the City Council reluctantly offered to close Oak and Walnut Street rail crossings as a compromise position - that the compromise is contingent on Southern Pacific immediately moving toward construction of drop-down gates at the other six downtown crossings,
- c) that it is the recommendation of the City Council that the Southern Pacific switching and storage yard be moved to the South of town.

The meeting was adjourned at approximately 12 noon by Mayor Pro Tempore Katnich.
